

REMY

Remy's a dork. He's self-confident but a little clumsy. Never a "wet-blanket," he's a risk-taker, but a "risk" to Remy is swimming in the shallow end of the pool WITHOUT his inflatable water-wings on. He really looks up to Cricket and takes Cricket's word (as misinformed and dangerous as it may be) as cold. hard. truth.

Remy is a born and raised **city kid** who has been sheltered by his wealthy workaholic parents. Remy lacks street smarts and some social skills and therefore can be a bit of a dummy.

Remy has spent the majority of his life looking up facts online and playing fantasy MMO's. **Remy thinks he knows what he's talking about.** He likes to guess ahead with what Cricket may be up to, but he is almost always comically wrong. But this doesn't hurt his confidence. He's always eager to learn from Cricket's new and interesting country ways.

Remy **gets a real thrill out of his adventures with Cricket.** Remy has been sheltered from anything dangerous or exciting, so he is constantly amazed with Cricket's wild, country lifestyle.

Since his parents are often working, Remy is a **lonely kid**. Before meeting Cricket, Remy considered his family's cleaning lady as his best friend since they spent the most time together. But now, **Remy has found a slice of acceptance within the Green family.** He is like an adopted son and enjoys being a part of their loving yet unfamiliar family.

REMY SIDES

1. REMY

PLEASANTLY INFORMATIVE: Shark attacks, quicksand, bread with chunks of seeds and nuts in them... These are just some of my nightmares.

2. REMY

NERVOUS DETERMINATION: Cricket told me to stay right here and be lookout. Sure, it is creepy and dark, but I'm going to do it because I am tough. I'm a tough, strong boy. (beat) I'm just going to run home and grab a flashlight.

3. REMY

TRYING TO BE COMFORTING: Cricket, you know how they say a broken clock is right once every full moon... er, or, uh... Don't look a gift in the mouth. No, that's not it... (confident:) Oh! Don't cook soup alone! That's it! That's advice. That's good. Basically, don't feel bad. It's not your fault.

4. REMY

EXASPERATED: I can't do it, Cricket. I'm tired, my glasses are cracked, my Fitbit just clocked in at a thousand steps... If I go any further, I'm going to literally die. (Cricket walks away) Hey, wait up!

5. REMY

SWEET/SINCERE: I like you. I like your family. You guys are different, but that's what's so nice about you.

6. REMY

SURGING WITH ADRENALINE: We did it! Holy baloney, Cricket, taking two free samples instead of just one! What a rush! I thought for sure that woman was going to follow us. Unless... what if she's hanging back and calling the cops? Ohmygosh! The police are probably closing in on us right now! I can't go to jail, Cricket! I'm too soft!
